

Important news about your medical benefits

A new program that promotes your health and wellness is coming to the area where you live! This new program is called the Medicare-Medicaid Alignment Initiative. It covers seniors and persons with disabilities who are enrolled in both Medicare and Medicaid.

With this new program, you can choose to enroll in a health plan for all your healthcare. The plan will cover all your Medicare and Medicaid benefits, including prescription drug benefits and Medicare Part D. You will keep getting all of your Medicare and Medicaid benefits, and you may get additional benefits. The health plan will have a team of providers and care coordinators that will help you reach your health goals.

There are different health plans to choose from in the new program (see box to the right). Some or all of these plans will be available in your area.

What happens next?

We will send you an enrollment packet in the mail. The packet will have information about the health plan choices in your area and how to enroll in one of those plans. You can also call us to find out your choices and enroll now. Call 1-877-912-8880 from 8 a.m. to 7 p.m. on Monday through Friday or 9 a.m. to 3 p.m. on Saturday.
